Camp Counselor

As a Camp Counselor, you will work closely with students to ensure their safety and well-being while at camp. Effective camp counselors act as role models, problem solvers, leaders, and guardians for students at LMC. While you will be directly assigned to 4-10 students, our staff works as a team to provide the best experience for all of our students. All counselors will assist in planning and facilitating events for students during the sessions, as well as run daily activity stations during recreation hour.

Teaching Assistants*

As a Teaching Assistant, you will work closely with students within your instrument family. Taking primary direction and guidance from our faculty members, TAs are able to make one-on-one and group connections with students to help them further develop the nuances of their musical skills. Assignments may include monitoring practice sessions, playing in side-by-side rehearsals, leading group warm-ups, coaching chamber groups, and giving additional lessons.

*If you are applying for a Teaching Assistant position, please include teaching experience on your resume and submit and audition video. This will not affect your hire as a camp counselor but is used to best determine the fit for a TA role.
